

Overbury First School's Great Easter Egg Hunt!

This Easter holiday take part in the Overbury First School's great Easter Egg Hunt! Miss Davies has hidden a golden egg somewhere in Overbury. Your challenge is to locate the egg and take a photograph and email your picture to office@overbury.worcs.sch.uk as proof. Inside the egg is paper and pen for you to sign and date when you have found the egg if you wish - Easter jokes will also be welcome!

- 1) Hunt for a large yellow egg in Overbury.
- 2) Find the egg!
- 3) Photograph yourself with the egg.
- 4) Place the egg back where you found it!

Safety

- This task needs adult supervision. Please note that traffic along local and country roads can be heavy and drive fast. Remember your road safety rules!
- Please note that although the egg is hidden, it does not require you to cross into any private land and can be accessed from public footpaths and local roads.
- This is an optional holiday activity which is open to all Overbury pupils and their families.

Reward!

All those who find the golden egg will receive a small chocolate treat when we return to school in April.
