

Summer Term

Dear Parents and Carers,

Welcome back to Miss Hayward who will be with us in Sheldon and welcome to Miss Lewis who will be with us in Tower until the end of this Summer term - both are training to be teachers.

Welcome also to Miss Holroyd who has joined us temporarily in Tower as a Teaching Assistant since completing her Teacher Training.

Thank you to Owen Wiseman from the charity "Building Futures in Malawi" who came in today to talk to us about what School life is like in Malawi following on from our Global Neighbours week last week. If you would like to see more, please visit their website: <https://buildingfuturesinmalawi.org/>

Have a lovely weekend.

MAYPOLE - 27 MAY

This year, our wonderful Maypole Celebrations will take place at the School on Friday, 27th May.

The children will be processing around the village from around 1:15pm arriving back at School a short while later to take part in the dancing and singing.

You are very welcome to join our procession or meet us back at the School around 1:30pm.

For further details about dress-code etc please see my attached letter.

THE FRIENDS OF OVERBURY SCHOOL

Now that the Covid restrictions have been lifted, The Friends are hoping to do more fund raising for our School to raise essential monies to support your children's education.

If you are able to support The Friends to prepare for Maypole and/or serve teas, coffees and cakes afterwards, please contact

SCHOOL VISION

Discover, Nurture, Share God's Gifts

The next aim of our School Vision I would like to share with you is:

"We look after each other, our environment and the community in which we belong".

This is inspired by the Parable of the Good Samaritan (Luke 10: 30-31) and the story of Creation (Genesis 1-2).

CHRISTIAN VALUE: THANKFULNESS

Overbury School Vision

"Discover, nurture and share God's gifts"

'God has given each of you gifts from his great variety of spiritual gifts. Use them well to serve one another.' 1 Peter 4:10

BELLBOATING - SUNDIAL

Report by Amelia and Ollie

On Wednesday, 11th May Sundial Class went Bell-Boating! Our instructor was very nice and kind, her name was Karen and she taught us how to use a paddle correctly; it might seem easy but it's very confusing. We got very wet and cold; it was raining a lot but it didn't stop us from having fun. We went through a lock which was very cool; the water started to go down and it was very satisfying. When the gates opened it was like a whole new world! It was very pretty on the outside of the lock and we saw some cute ducklings. After lunch, we had a race; we had to paddle as fast as we could - it was great fun. Luckily team one won! Team two got really stuck in the reeds and Karen nearly had to go in and help them. ☺
