

Official Photography in School

Dear Parents/Carers

During the course of the school year photographs, video footage and voice recordings of your child(ren) may be taken by the school, the LEA or the press with official school permission. The purposes of this may vary. Examples are, for use in promotional material about the school, for internal school notice boards and photographic records of work and events, for official videos of school events, for newspaper/TV/radio coverage of school events/achievement, for use on the school website.; for the Facebook and Twitter fundraising pages and for the purposes of the standard school photographs of pupils/classes. Please note that we do not publish children's names with the photographs on the website, Facebook and Twitter. Please note that if a photograph is published through the press, your child's name is often published as a requirement of the newspaper.

Where your child would be identifiable from the images, you have a right to request that your child is not so recorded. Therefore, if at the start of the year, or at any particular point during the year, you feel that you do not wish your child to be photographed or videoed for any of the above purposes, please let the school know by completing and returning the slip below so that steps can be taken to ensure that your wishes are respected. Please note that in relation to some events, a consequence of not including your child in photography may be that they are not easily able to take part in the event itself. This is something that the school would discuss with you if it arose. Please note that unless we hear from you to the effect that you do not want your child to be photographed for these purposes, we will assume that you are happy for such photography/filming to take place.

Please note that we cannot be held responsible for UNOFFICIAL photography and filming taken by parents at any events [eg concerts, Sports Day]. Do note that it is illegal to publish any photographs etc on the web without permission from all those shown.

Yours sincerely

Ms Pernilla Pascolutti
