

Overbury CE First School

Support for Children and Families

At Overbury First School we recognise the challenges that families face in bringing up children. There may be times when you need extra help and support. If this is the case please come and talk to us. There are many ways in which we can help as outlined in this offer of early help. We can also help to plan specific support for families in the form of APAR's (Assess, Plan, Action, Review) and My Assessment where we can work together to set and achieve outcomes

Our Family Help Offer

Family Help is a pathway to supporting you and your child as they grow up when you or they may need further support or guidance.

Providing early help to our pupils and families at Overbury CE First School means we can improve outcomes for children, families, and communities, providing support as soon as a problem emerges, at any point in a child's life, from the early years through to teenage years.

Family Help can support children and their families who may be struggling with:

- Routines and family rules
- Families who may be not be eating healthy food
- Keeping to a healthy lifestyle
- Children who are caring for a family member

- Children who may not want to go to school for different reasons
- Disability within the family including children being a young carer
- Children in the family have special educational needs (SEND)
- Children who may become involved in anti-social or criminal behaviour
- Children who go missing from home
- Children or parents / carers misusing drugs or alcohol
- Children at risk of being tricked, forced, or made to work in the criminal world
- Children who may need support because they may live in a home and see drug or alcohol abuse or adult mental health problems.
- Children who have parents who argue a lot (and sometimes might hurt each other) whether the parents live together or apart.
- Children at risk of being groomed to join groups which support illegal views
- A privately fostered child (a child from another family living within your family home)

Early help relies upon local groups and people in the community, sometimes we work together to help children, young people, and their families.

Everyone needs help at some time in their lives and therefore an ethos of early help is important for any school.

In school, we provide the following in-house support:

Pastoral Support

Ms Vicky Plenderleith provides pastoral support to pupils and families, as well as Emotional Literacy Support interventions. With families consent, we can refer families for further family support. After school clubs are also available to support families and children.

Family engagement officer

As part of our support services provided by Move More, we have a family engagement officer who provides parenting newsletters, parenting webinars and balanced eating support. Be-spoke advice is also provided where it is required.

Educational Psychologist

We have an Educational Psychologist who can provide support and advice to families for children who may need additional help for a variety of different reasons.
